SPONSORSHIP OPPORTUNITIES

On Monday, May 20, 2024, the eleventh annual Stroke Reduction Golf Classic benefiting Corewell Health's Stroke Prevention efforts will take place. Join us to reduce your strokes on the course and support reducing the risk of stroke off the course through education and awareness programs through Corewell Health.

Mike Bender, a Golf Digest Top 3 instructor and coach to two-time major winner Zach Johnson and other pros, will be conducting his hitting clinic prior to the event. Since it is early in the golf season, Mike's instruction can have a large impact on our golf games for 2024. Take advantage of this unique opportunity to learn from one of the best golf instructors in the world.

# ABOUT THE CAUSE

## Corewell Health Stroke Prevention Team

---

May is Stroke Awareness Month. Statistics show that one American dies from a stroke every four minutes, and that many of these deaths are preventable.

The annual Stroke Reduction Golf Classic was created to benefit the Corewell Health Stroke Team. Their role is to educate more people in our community about the risk factors, signs and symptoms of stroke, to help reduce the numbers affected by this debilitating event.

The dual objective of the Stroke Reduction Golf Classic is "reducing strokes in life and golf through knowledge and action." Participants and sponsors will learn techniques to improve their golf game and to reduce the chances of experiencing a stroke, all while enjoying a fun-filled day on and off the course.
